PATRIOTISM REDIVIVUS

The Convention of veterans of the Mexican war closed its session in Washington City on the seventeenth instant. have entered into an agreement, not to by adopting a memorial to Congress, ask Its business was satisfactorily concluded ing for a pension of eight dollars per month for the survivors of the war, during the time, of their natural lives; adopting a constitution and by-laws for a national association Electing permanent officers for the same; and paying a visit of ceremony to President Grant, and the presentation of a silver vese, presented by General Andrew Jackson to the Palmetto regiment, to the National association. But that which constitutes the crowning honor of this convention of volunteers is the adoption of a resolution pledging the sense of the association to the belief "that the pension accruing to sorvivors of the Mexican war should still hold good to participants in the late civil war, wheth r engaged in Union or Confederate This sounds like a return to the patriotic era of our history, when the brave and true struck hands in common sympathy and common purpose. It ounds like discarding the slogans of demagogues which appeal to the prejudices of the ignorant and the designs of the corrupt, and engulf all purity of purpose and all the inspirations which spring from high resolve in the riotous and reckless cabals of pince-hunters and plunderers. Those who were comrades the brilliant and fruitful campaigns of Mexico have thus set an example which the whole country may safely follow. They Union is so well off Kentucky is a have ignored the baseness of wholesale proscription. They have determined to look to the fact that patriotic sacrifice may vindicate the motives of those who unfortunately were sundered in the late civil war, and were driven, by the force of circumstances, to draw the sword on opp site sides. Whether the memorial of the convention, looking to a pension for the vet rans, shall be granted or not, That colored penitentiary bird, Pinchs this noble resolve, this high sentiment back of Louisiana, is not likely to get this glorious and patriotic utterance, covers the veterans with a mantle, which aplicates the renown of their splendid achievements, and presents them to the country as those inspired by the feelings and purposes of the men of the revolution of 1776, when there was a On Monday of last week in the Cir- common resolve to uphold a pure government, whose statesmen labored to for right and conscience alone.
